JIMMY AND SHELLEY AGAIN

Or a new Love Story

When we last heard from Jimmy and Shelley (November, 2007 issue of "On the Horizon"), we learned that Shelley had fallen in love with Sourpuss and wanted to keep him for herself. Jimmy was NOT happy. Well, it seems that Jimmy and Shelley had a rough winter trying to patch things up while Sourpuss was caught in the middle down there in the southern Bay. Well, wouldn't you know it, Shelley, much to everyone's amazement, brought Sourpuss not only way up the Bay, but right back to Dundalk where he had wanted to be all along. It just took him an extra year to get here. Nobody knows just exactly how she brought him up here, but bring him up here she did. Jimmy heard a rumor that one or more of the Dundalk Navigation teams didn't do too well and thus was able to help Shelley get Sourpuss back to Dundalk.

Well, Dundalk is happy to have Sourpuss back and Sourpuss is glad to be back in Dundalk. He's been to Dundalk previously you know, and says he was treated wonderfully – and for those who do not remember, Dundalk put on a beautiful wedding when Sourpuss married his beloved. Sourpuss is glad to be back, but sorry he upset Shelley and Jimmy. Jimmy and Shelley seem to have things patched up and were at the crab feast. (Jimmy thought Shelley was eyeing up Sourpuss during the feast, but couldn't be sure, and it didn't seem to create any problems).

Anyway, Jimmy and Shelley snooped around as much as possible, but they have to be careful, they might get stepped on. They heard that the crabs were just a little on the light side this year, but still delicious and the corn - Oh, the corn! And the tomatoes! Were to die for – if you'll pardon the expression. And all those hamburgers, hot dogs and bratwursts – and all the people to cook them! All Jimmy and Shelley heard were compliments and they were happy to see Dave Brand playing music. Shelley says music adds a festive air to the event even if people don't get up and do much dancing.

Shelley had to keep her eye on Jimmy because he kept sneaking over to the beer keg and trying to get a beer from that nice beer man Herbie who comes every year. Jimmy got in a bit of a huff when the nice beer man told him that the beer was for people not crabs. However, Shelley did see him sneak off with one of those lemon bars and hide around the corner.

Jimmy counted - whoops - Jimmy can't count! Jimmy *heard* that seven members of the District Bridge were at the feast and five members of Dundalk's Bridge were there. Shelley said she missed seeing some old faces but understood that fuel prices may have kept some people home. However, Shelley also said that she saw quite a few new faces (none quite as good looking as Sourpuss, but still glad to see new faces).

While Jimmy was sneaking off with a lemon bar, Shelley was doing a little counting – she likes to keep track of things (besides Jimmy). Well, she found out that we went through 16 bushels of crabs (they were going so fast they had to order more during the feast), 460 ears of corn, two dozen gorgeous tomatoes, 2 kegs of beer, 13 cases of soft drinks, 120 hamburgers, 12 lbs of hot dogs, 12 lbs of bratwurst and 3 trays of lemon squares, not to mention the condiments, rolls, etc.

And boy, did they have lots of help. Amazing how cooperative people are. Why, there were nearly as many people from other Squadrons helping out as Dundalk members. All and all it looked like a good crab feast from where I stood (well, you know what I mean).

I understand the date is already set for 2009. Be sure to mark your calendar to come and say hello to Jimmy & Shelley on August 28-30, 2009.

Love, Jimmy & Shelley, as told to P/C Read Van Zile, AP

COMMANDER

Greetings from your Commander.

What a fun and exciting year it's been, I find it hard to believe that 2008 is almost over. We've been a busy squadron this year, and there's a lot more in store for the New Year! So get out those new 2009 calendars, and mark down all the special events coming up. You won't want to miss anything.

Speaking of fun, I had such a fantastic time with everyone at our Holiday Party. Of course P/C Read Van Zile as Santa, and Mary Ellen Peters as Elfie, always makes the evening festive! How special that D/C Brian Becker, and his lovely wife Gail joined us, along with members from three other squadrons, along with family and friends. I hope everyone enjoy the party and laughs with fellow squadron members as we wished each other happy holidays. A special thank you to D/Lt Sue Bussey for organizing the event, it was a grand success!

Also, mark your calendars in January for an evening with P/C Tony Van De Wal, N, as he will be giving a seminar on **Onboard Weather Forecasting**. This is one of the

new USPS University Seminar Series. Each two hour seminar provides valuable take-away guides, and credit towards elective courses, and the Boat Operator Certification program. Hope to see you there. See page 5 for details.

Just a reminder about our squadron policy on meetings, classes and inclement weather: Dundalk Sail & Power Squadron will follow the Baltimore County School System - if they are closed (either day or evening), meetings or classes for that night will be canceled. We will post the information on the discussion list (if you are not on it see the EO Report on Page 4 with details on how easy it is to join). We have also activated our Phone Committee, P/C Connie Barry and her team will do their best to reach you, especially if you do not have Internet access.

Blessings to you and your family as you enjoy time together during the holidays. And I wish all of you a Happy & Healthy New Year!

Respectfully submitted,
Cdr Tracey C. Stuenes, P

Attention on Deck: 2009 Change of Watch - FRIDAY, 20 MARCH, 2009

The year 2009 is here, and it is time to mark your calendar so you don't miss any of the many exiting squadron events. Our first early spring event is the Change of Watch dinner and dance. Please note it will be on a Friday night. Get your reservation in the mail now to avoid overlooking the deadline for this special event.

This is the time we honor our outgoing officers in appreciation for all their hard work and job well done, present awards for special accomplishments, and welcome the new Bridge Officers who will lead us through the next year. We hope you will be there to be a part of this special occasion. The place will be Sparrows Point Country Club with plenty of free parking. We will have music for your dancing pleasure after the dinner and a brief Change of Watch ceremony. Commander Tracey Stuenes met with the Chef, and he is actually recreating one of her favorite dishes from a restaurant in Ocean City.

You do not have to be a Squadron member to attend this affair. Line up a table (8 to a table) of personal friends, squadron friends or come by yourself. The main thing is to "be there" and enjoy a fabulous evening. Mark the date now, Friday, March 20, 2009, and send your reservation in as early as possible. The sign up sheet is on Page 10 in this issue of "On the Horizon". The reservation deadline is March 14, 2009. Fund raising through other activities has contributed to this function and is again keeping tickets at bargain prices.

A COW planning meeting has been scheduled for Friday, January 9th, 7 PM at P/Lt/C Rolf Stuenes' home. If you would like to attend, please contact Rolf, (410) 285-0047 or rstuenes@comcast.net.

SAFETY: 2007 Accident Statistics—CG stats point to need for boater education

USPS boating course graduates have fewer accidents and fatalities than other boaters per Coast Guard boating accident statistics

Pointing to the importance of boating safety courses, the 2007 statistics also show that about 70 percent of all reported fatalities occurred on boats where the operator had not received any boating safety instruction.

In 1974, there were 1,754 boating fatalities and only 6 million registered recreational boats. As states began mandating boating safety education, the number of fatalities began decreasing. And by 2005, even though the number of registered boats had more than doubled to 12.9 million, the number of fatalities had decreased to 697.

The Coast Guard's 45-page report breaks accidents down into operator age, boat type, contributing factors, weather and many other categories. For the full report, go to: www.uscgboating.org/statistics/Boating_Statistics_2007.pdf

EXECUTIVE OFFICER

The Baltimore Boat Show will be held from 21 – 25 January, 2009 at the Baltimore Convention Center. We will have the D/5 Education Trailer and SeaVester so we'll need lots of volunteers. Have you signed up to volunteer a few hours of your time at the D/5 Education Trailer? If not, please contact me as soon as possible, we need you to make this a success—and REMEMBER, volunteers get into the show for FREE! It's a great way to share with the public that *Boating is fun, let us show you how!*

I had this in before, but want to emphasize that if you have not done so already, sign up for our email list-serve. It's easy. Just visit our website, www.uspsdundalk.org, and click on "Join our discussion group". That will open

an email message and all you have to do is send it. It's that easy. You'll be registered to send and receive messages from the DSPS list-serve. If you don't know what that is, it's just like a private email group where any messages sent to the list-serve will be sent to everyone signed up for it. This is the fastest way to get updates on information, for example if a show has been cancelled, or if a group of members wants to try to plan an informal raft-up, or if you have a question relating to your boat, (or anything really).

As always, I'm available if anyone has a question, comment or complaint. Also, if anyone would like to volunteer to assist with an event, please let me know. I can be reached by email at xo@uspsdundalk.org or by cell phone at 410-456-5854.

Respectfully submitted,

Lt/C David Seidenman, AP

D/5 SPRING CONFERENCE 2009

And

INCOMING BRIDGE OFFICER TRAINING

Ahh, spring, that magical time of year when all boaters' fancies turn to ... Spring Conference! 26 through 29 March at the Princess Royale Hotel in Ocean City, Maryland.

The conference will be full of training for the new squadron bridge officers coming aboard. This is an important source of information that all new officers need to take advantage of. In fact, anyone who has aspirations of joining their squadron's bridge needs to attend one or more of those sessions.

Friday is Squadron Hospitality Suite night, a premier event which is always a boatload of fun. Hospitality Suites give squadrons an opportunity to display their ingenuity, creativity, and sense of fun. Every squadron is encouraged to put their collective members' heads together and come up with an idea for a suite. If your squadron can't support a hospitality suite on its own consider teaming with another squadron. Hospitality Suite reservation forms are available on the web and in Mark V. For more information, contact D/Lt Kenny Perigo, JN, at ktperigo@earthlink.net.

Do you like raffles? The raffle table is going to be crammed with items of all sorts to try your luck on. It will be better than a giant yard sale. Wander up and down the table; you are sure to find lots of things that tickle your fancy.

The Conference will convene Saturday morning at 0800. This will be a short event, followed by seminars to aid all your squadron departments. Commanders, encourage your committee chairs to get involved in these; many are in round-table format and provide the opportunity to share ideas and experiences while learning from what others have tried.

Food? Saturday night there will be a fantastic banquet to celebrate the district, the individual squadrons, and highlight the district Changes-Of-Watch. Come say farewell to District Commander Brian Becker and welcome aboard new District Commander Ralph Bernard.

Then Sunday morning the new D/C traditionally hosts a poolside breakfast reception where everyone can meet the new bridge and get something to eat at the same time.

March 27, 28 and 29, 2009, at the Princess Royale in Ocean City. Mark those dates in your calendars, make your reservations early, and most importantly, come to Ocean City and start the boating season off right.
